AC Power Cord
Telephone Line Cord

- The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
- ▼ Approximate toner cartridge yield in accordance with ISO/IEC 19752 (letter/A4).
- ^ Drum yield is approx., and may vary by type of use.
- \* Requires an Internet connection and an account with desired service. See [www.brother.ca](http://www.brother.ca) for details.
- Requires an Internet connection. See [www.brother.ca](http://www.brother.ca) for details.
- o Requires connection to a wireless network. See [www.brother.ca](http://www.brother.ca) for details, availability, and mobile device compatibility.
