

TUNE 760^{NC}

Wireless Over-Ear NC Headphones

Your music, noise free.

Your music, nothing else matters. Over-ear, super comfortable, powerful, the JBL Tune 760NC keeps the promise. The active noise cancelling blocks unnecessary distractions to let you focus on what matters, for up to 35 hours. Not enough? Get an extra 2 hours of juice with only 5 hours of charge. Lightweight and foldable to fit any adventure, the Tune 760NC can connect with two Bluetooth® devices simultaneously, so that you'll never miss a call on your phone while watching a video on your tablet. Immediately paired to your Android device with a tap, the JBL Tune 760NC offers hands-free management of calls and your device's voice assistant. To endlessly extend the fun, just plug the JBL Tune 760NC with the included detachable cable. Choose the color that matches your mood and have fun!

TUNE 760^{NC}

Wireless Over-Ear NC Headphones

Features and Benefits

Active Noise Cancelling

Tune in to your music. Tune out the noise.

JBL Pure Bass Sound

For 75 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL sound, punching out bass that's both deep and powerful.

35H battery life with BT+NC | 2H recharging time

Listen wirelessly for 35 hours with active noise cancelling for long-lasting fun, or 50 hours with ANC off. Recharge the battery quickly in 2 hours.

Hands-free calls & Voice control

Easily control your sound, manage your calls and trigger voice assistants from your headphones with the button on your earcup.

Google Fast Pair

Thanks to Fast Pair enabled by Google, the JBL Tune 760NC are immediately connected to your Android device. You can also pair multiple devices just by tapping on the devices' screen.

Multi-Point Connection

Allows you to effortlessly switch from one Bluetooth® device to another. You can simply switch from a video on your tablet to a call on your mobile phone, so that you'll never miss a call.

Lightweight and foldable design

Lightweight and compact foldable design makes these headphones always ready to travel everywhere you go.
