

## HP ENVY 14-2002ea Beats Edition

HP recommends Windows® 7.

### Notebook PC Because you know what you want.

Do you want a brilliant view and sound that's straight from the recording studio? And VIP treatment, any time you need it? Make sure you stand out from the crowd, with the ENVY14 Beats™ Edition.

#### It's the ultimate audio experience.

You'll get optimised, studio-quality sound. The compact, lightweight design gives precise audio clarity, forming an acoustic seal that keeps sound in, noise out.

#### Why not shine like a superstar?

Why stop with awesome sound? The 36.8 cm (14.5") diagonal HD HP Bright-View display and ATI graphics deliver a brilliant view, too. And Adobe Photoshop comes standard with the ENVY14 Beats™ Edition – plus an optional quad-core processor to run it.

#### A backstage pass to wherever you want to be.

With its crafted etched metal alloy body, signature black-and-red colour scheme and red backlit keyboard, this lightweight and elegant notebook offers you the ultimate in good looks and mobility – and will put you centre stage, wherever you are.

#### Don't you want to stand out from the crowd?

You love music and expect more from technology, so you'll appreciate the VIP treatment you get with the ENVY14 Beats™ Edition. Any problems and there's a private support hotline with a dedicated helpdesk – exclusively for ENVY customers like you.
