

SmartFit® SoleMate™ Pro ergonomic foot rest

Simply the best foot rest

K50409EU

Product Description

Improve posture, promote healthy circulation and support back and leg comfort with the SmartFit® SoleMate™ Pro ergonomic foot rest. Ergonomically designed to promote wellness and support increased productivity, the SmartFit® SoleMate™ Pro ergonomic foot rest incorporates Kensington's patented SmartFit technology to simplify proper fit and allows users to adjust the height and angle for customised comfort. An ideal foot rest for modern home office or hot-desking environments.

Features

- Ergonomist approved to improve posture, promote healthy circulation and support back and leg comfort
- SmartFit® system simplifies ideal ergonomic height positioning using scientifically proven research to support proper fit and increase productivity
- Height adjustable with positions between 90mm–120mm (3.5in–4.7in) to support users of all heights
- Angle & Tilt Adjustable to allow users to personalize their preferred tilt position (angle adjusts 0°–18°; tilt adjusts 0°–18°)
- Locking foot pedal control allows users to adjust the foot rest without leaving their chair
- Anti-slip base and top ensures your foot rest and feet stay in place throughout the working day
- Easy-to-clean fabric surface can be spot cleaned with warm water
- Wide platform comfortably accommodates users preferring a wider stance
- Non-toxic materials independently certified for safety and compliance
- Professional performance-focused design combines functional and sophisticated low-profile elegance with durable components
