- The charging base charges the iron in less than 6 seconds
- Ceramic soleplate for better gliding performance

### Faster to store

- Cord winder for easy cord storage
- Lock and carry the iron for stable storage after ironing

# PHILIPS

# Highlights

## Quick heat up

Power up to 2400 W for faster heat-up time

## Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

## Ceramic soleplate

Ceramic soleplate is scratch resistant, glides well and easy to clean.

## Smart light feedback

Smart light feedback indicates the status of the iron at any time.

## Compact smart charging base

The compact Smart charging base enables a powerful cordless steam performance. Enjoy the ultimate freedom of movement without changing your ironing pattern: the iron will charge itself on the compact smart charging base while you rearrange the garment. To ensure constant steam performance the smart charging base will indicate with a yellow light to recharge the iron and ensures the iron will get fully charged in less than 6 seconds. The blue light indicates that the iron is ready to use.

## Easy storage

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

## Up to 35 g/min of steam

Continuous steam up to 35 g/min for better crease removal.

## Carry lock

Safe storage after ironing on the base. The cord can be wrapped around the body of the base, so that the appliance is easy to store.
