

## Short throw. High brightness. Unbeatable value.

The InFocus IN120STa Series projectors combine short throw, high brightness, networking and low cost – making them perfect for classrooms, offices, or tight spaces like trade show booths.

These value-packed projectors are easy to buy and built to perform with multiple ways to connect, beautiful image quality, and option to convert to an interactive projector. Plus, the short throw lens reduces shadows, prevents light from shining in the presenter's face, and saves space.

### Why choose the IN120STa Series?

- Ultra-low purchase price
- High brightness and high contrast ratio
- Short throw for big images in tight spaces
- Convert to be an interactive projector with optional LiteBoard adapter
- Wireless connectivity with optional USB adapter
- PC-less display from USB drive or 2GB of internal memory
- Display over HDMI or USB
- Present Office docs, video, audio, photos and more wirelessly from your mobile device (with optional adapter)
- Blu-ray 3D capable (over HDMI)

### High Brightness and High Contrast

The image quality of these projectors will not disappoint. 3300 lumens will give you bright, clear images with the lights on and the high 15000:1 contrast ratio adds sharpness with darker blacks and whiter whites.

The short throw lens gives you big images in tight spaces and prevents light from shining in the presenter's face.

### Make It Interactive

Plug in the optional LiteBoard adapter to turn your wall into an engaging, collaborative interactive workspace. Control all your favorite PC or Mac applications from around in the room with the wireless LiteBoard Wand just as you would with your mouse.

#### MODELS

##### IN124STa

XGA  
(1024 x 768)  
3300 lumens  
Short Throw

##### IN126STa

WXGA  
(1280 x 800)  
3300 lumens

#### Connectivity

VGA x 2  
HDMI 1.4  
USB-A  
USB Mini-B  
Composite Video  
RJ45/LAN

S-Video  
RS-232  
3.5 mm audio in x 2  
3.5 mm audio out  
Monitor out (VGA)

### Easy Display from Any Device

Built-in apps and optional wireless adapter displays files from an Apple or Android notebook, tablet or smartphone. Or display from no device at all and project images, audio and video from the projector's on-board 2GB of memory.

### Networking and Room Control

Connect the projector to your network and manage it remotely. Send important announcements or emergency notifications for instant display, set up notifications for low lamp life, schedule when it gets powered down, and more.

Crestron RoomView Connected and AMX Device Discovery technology is built into the projectors for easy connectivity, programming and control with those room control systems.

\* Product specifications, terms, and offerings are subject to change at any time without notice.

\*\* Actual lamp life may vary based on the ambient environment and projector usage. Conditions that may affect lamp life include temperature, altitude, and rapidly switching the projector on and off.

\*\*\* Eco Blanking hours are determined by a combination of the projector's use in Normal/Low Power modes and while using the Eco Blanking feature.

## Wireless Software System Requirements

### EZ WiFi (download from projector)

Operating System: Windows XP SP3, Vista SP2, Win 7 SP1 and Win 8 (Starter versions not supported); Mac OS X 10.7 and above  
 CPU: Windows: Dual Core Intel Core i 1.6 GHz or higher (ATOM not supported); Mac: Dual Core Intel Core i 1.4 GHz or higher (PowerPC not supported)  
 Graphic card: Intel, nVIDIA or ATI graphic card with 64MB VRAM or above

### EZ Display (free download from Google Play store)

Requires Android 4.0 and up

### EZ Display (free download from iTunes)

Compatible with iPhone 3GS, iPhone 4, iPhone 4S, iPhone 5, iPod touch (4th generation), iPod touch (5th generation), iPad 2 Wi-Fi, iPad 2 Wi-Fi + 3G, iPad (3rd generation), iPad Wi-Fi + 4G, iPad (4th generation), iPad Wi-Fi + Cellular (4th generation), iPad mini and iPad mini Wi-Fi + Cellular. Requires iOS 5.1 or later.  
 This app is optimized for iPhone 5.

## Optional Accessories

Replacement Lamp (SP-LAMP-087)  
 Universal Ceiling Mount (PRJ-MNT-UNIV)  
 Wireless Network Adapter (SP-WIFIUSB-2)  
 Interactive Projector LiteBoard Adapter (HW-LBRADIO)  
 LiteShow Wireless Adapter (INLITESHOW3)  
 LiteShow Mount (PRJ-MNT-LS3)  
 Soft Carry Case (CA-SOFTCASE-MTG)  
 Extended warranties (PROJ-EW1YR-V, PROJ-EW2YR-V)  
 Cables and adapters
