

Convenient, small size for desktop use (~ 6 x 4 x 9 in)

A NAS (Network Attached Storage) Device for the Home

- **Provides extra storage that can be conveniently shared with all your computers**
The ReadyNAS Duo is perfect for homes with more than one computer. Unlike a USB drive, the ReadyNAS connects to the network and is simultaneously accessible via all connected Windows or Macintosh computers.
- **Easily create a personal webpage that shares stored photos with friends and family**
If there is a broadband Internet connection and a home router, the ReadyNAS can be set up to provide secure access to all the stored files remotely via the Internet.
- **Optional "spare" hard drive protects against drive failure by making a duplicate copy of all your data**
For added protection of stored data, an optional second hard disk drive can be installed. The spare hard drive will keep an extra copy of all the data and instantly take over if the first hard drive should fail.
- **Supports most network music, picture and video players**
Advanced media streaming support allows the ReadyNAS to directly serve media, with no PC required, to devices such as the NETGEAR EVA8000, Sonos® Digital Music System, Logitech Squeezebox™, Apple iTunes® clients, Sony Playstation® 3 and Microsoft Xbox 360®.
- **Embedded BitTorrent™ client for direct downloading from the Internet**
Officially licensed BitTorrent client allows downloading to occur without the need for an additional computer. A Web-based interface facilitates download management from computers, and a special NETGEAR Digital Entertainer interface allows management from the EVA8000.

Store, access and share your data with ReadyNAS Duo

System Requirements

- Microsoft® Windows® 2000 (SP4), XP Home or Pro (SP1 or SP2), Vista, Macintosh OS-X, Linux
- Router and broadband connection required for remote access features
- Web browsers supported: Internet Explorer 6.0+, Netscape Navigator 7.0+, Safari 1.22+, Mozilla Firefox 1.03+

General

- ReadyNAS Duo Network Attached Storage Device
- 2 Serial ATA channels
- Compatible with SATA and SATA II HDD
- Hot swappable and lockable trays
- 10/100/1000 Ethernet
- 3 USB 2.0 ports
- 256 MB PC2700 DDR-SDRAM SO-DIMM
- Embedded 64 MB flash memory for OS
- Supports Windows, Mac, Linux/UNIX Clients
- Setup wizard and easy browser-based interface
- NETGEAR Auto-Expandable X-RAID™

Volume Management

- Journalled file system
- User, group, and share-level quotas
- Drive set can be removed and migrated to ReadyNAS NV+ or 1100

Network File Services

- CIFS/SMB for Windows®
- AFP 3.1 for Mac OS 9/X
- NFS v2 / v3 for Linux and UNIX
- HTTP/S for web browsers
- FTP/S support
- RSYNC

Media Streaming

- DLNA Compatible UPnP AV
- Logitech Squeezebox™
- Sonos Digital Music Center
- Network DVD player compatible
- Windows MCE compatible
- Sony Playstation 3
- Microsoft Xbox 360

Network Security

- Encrypted network logins
- Secure Sockets Layer (SSL)

Network Options

- DHCP or static IP
- NTP

System Management

- Performance options
- Device status
- Email alerts and event logs
- Command Line SSH access

Backup

- Integrated Backup Manager
- Programmable backup button
- Backup to/from CIFS/NFS/FTP/HTTP
- Backup to/from USB disks
- Bundled backup software: NTI Shadow for ReadyNAS for Windows and Macintosh

USB Device Support

- USB HDD and flash drives
- Printers
- UPS monitoring and auto shutdown

Languages

- Management UI: English, French, German, Japanese, Chinese, and Korean
- File Name: Unicode

Electrical

- 12V, 5A power adapter, localized to country of sale
- Input: 100-240V AC, 50/60 Hz
- Power consumption: 35W typical (with 2 x 500 GB disks)
- Power-saving mode

Thermal

- 90 mm ball-bearing chassis cooling fan
- Fan failure alert
- High temperature email alert with auto-shutdown option

Environmental Specifications

- 0° - 95° F
- 20% - 80% Humidity (non-condensing)
- FCC, UL, CE, C-tick, IC, RoHS compliance

Physical Specifications

- Kensington® lock security hole
- Dimension: h x w x d
142 x 101 x 222 mm
(5.60 x 3.98 x 8.70 in)
- Weight: 2.07 kg/4.56 lb without disks

Package Contents

- ReadyNAS Duo
- 2 hard disk trays
- Quick Installation Guide
- Warranty card
- Power adapter
- Power cable
- Ethernet cable
- ReadyNAS Installation CD
- ReadyNAS Discovery Utility
- NTI Shadow for ReadyNAS for Windows and Macintosh

Available Configurations

- RND2150 – 1 x 500 GB HDD
- RND2175 – 1 x 750 GB HDD
- RND2110 – 1 x 1000 GB HDD
