

Universal 8" (20.3 cm) Tablet Protective Cover

Item #7160-0949

A water and dust resistant cover to keep your tablet safe

This universal tablet cover is made of polyester with a urethane backer that features easy to adjust Velcro closures. The design fits Zebra, Panasonic, Getac, and other tablets. It also works great for tablets using a keyboard bracket. Keep moisture, dust, and other harmful elements away from your tablet. If the screen gets dirty, simply wipe it down with a soft cloth and gentle cleaner.
