1 About your phone

If you use a screen protector, make sure it allows for use of all touch-screen features.

2 Set up your phone

Charge your device
Before turning on your phone, charge it fully.

Note: Use only Samsung-approved charging devices and accessories. Samsung accessories are designed for your device to maximize battery life. Using other accessories may void your warranty and may cause damage.

Backup and restore
Get help transferring contacts, photos and other content from your old phone at samsung.com/smarts witch

3 Search

From the Home screen, swipe up and search for apps, settings, contacts, and more.

Customize your phone

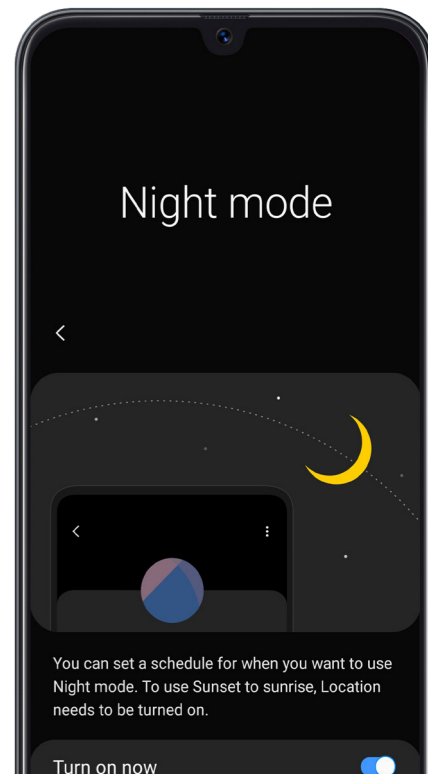

From the Home screen, swipe up, and then tap **Settings**  to customize, connect and personalize your phone:

-  **Connections**
Connect to a Wi-Fi™ network, Bluetooth device and other connection options.
-  **Sounds and vibration**
Set device volume and sounds.
-  **Display**
Customize the Home screen, navigation gestures, and display brightness.
-  **Wallpapers and themes**
Make the device your own with fun and unique wallpapers and themes.
-  **Digital wellbeing**
Configure usage limits on your device.
-  **Lock screen**
Select a screen lock type and set security options.
-  **Biometrics and security**
Set facial or fingerprint security options.
