High quality output for home or micro business

With four distinct A4 devices, the SP 150, SP 150w – and the SP 150SU & SP 150SUw which also include mono copy & colour-scan capabilities – are the perfect devices for home & small offices. The WiFi enabled models allow you to connect directly to the printer via a mobile device and each printer is compact, stylish and simple. They all come with a 2 year warranty, a simple installation process and a 22ppm output, so simply choose the device that suits your needs and enjoy its reliability, intuitive operation and sleek design.

- Straightforward operation
- Operates quickly and quietly
- Compact and stylish design
- Offers excellent value for money
- User-friendly Virtual Operation Panel

Reliable operation. Seamless design.

Easy to install. Simple to operate.

The perfect devices for getting the job done, there are no complicated set-ups to fiddle with, and it's easy to follow the simple installation process. So you can get on with doing what you do best, and leave all the printing tasks to the latest addition to your home or small office. In fact, everyday operation is so intuitive that various operations can be completed via the Virtual Operation Panel on your PC or mobile device.

Small stature. Big output.

Thanks to their sleek, modern design, there's no need to be concerned about space – as their small footprint means they can be located almost anywhere. But their small stature doesn't mean they're not packed full of features including WiFi capability on various models, as well as the benefits of the Virtual Operation Panel, where you can easily print, copy and scan – and change settings and resolutions.

A valuable asset. That offers real value.

All-In-One cartridge is our integrated solution for small offices and home printers alike, and this benefits you by enabling the one-time replacement of all critical parts. There's no separate drum or toner, all you need to do is replace the empty cartridge by inserting/clicking the new All-In-One cartridge into the mainframe. It's that simple. With a 22ppm output, you can rest assured there's speed and instant usability too.

Always count on us

With small but significant innovations like a short paper path, these printers help your office or home become more productive. Simple, accessible functions mean they print without fuss, creating an environment where no matter what or when you want to print, your workflow is always seamless.

SP 150/SP 150SU/SP 150w/SP 150SUw

MAIN SPECIFICATIONS

GENERAL (SP 150, SP 150SU, SP 150w, SP 150SUw)

Warm-up time:	25 seconds
First output speed:	11 seconds
Continuous output speed:	22 pages per minute
Dimensions (W x D x H):	351/350/351/350 x 266/275/266/275 x 106/137/106/137 mm
Weight:	6.5/7.5/6.5/7.5 kg
Power source:	220 - 240 V, 50/60 Hz

COPIER (SP 150SU, SP 150SUw)

Copying process:	Laser beam scanning and electro-photographic printing
Multiple copying:	Up to 99 copies
Resolution:	600 x 600 dpi
