

10inch Universal Tablet Keyboard Case (French layout)

THZ498FR

Description

Get the most from your tablet device with a Targus fit-n-grip™ universal keyboard case. This removable Bluetooth keyboard transforms your tablet into a 2in1 device with a full-size keyboard – perfect for creating content comfortably and effectively. Whether you're watching a film or typing a document, Targus' patented rotation system allows you to use your tablet in landscape or portrait orientation. The proven Targus fit-n-grip™ system and universal Bluetooth keyboard connection mean you can use this case with iOS, Android or Windows based 9-10" tablets. The Targus fit-n-grip™ keyboard case is the ultimate universal keyboard case for protection and productivity.

Get The Most From Your Tablet

With a removable full-size Bluetooth keyboard which allows you to use your device as either a tablet or a laptop, for comfortable and productive content creation.
