A RUGGED LAPTOP CARRYING SOLUTION

Protect your school's investment with the ace. Designed with direct feedback from educators and district level IT professionals, we have built the ultimate protective bag for the K-12 classroom environment.

FEATURES

- “Always on” secure fit – elastic straps that accommodate various sized laptops feature gripper strip on underside to prevent sliding off, while maximizing stability
- Double-layer protection – laptop is elevated in the bag and encapsulated in a combination of open cell foam and rugged, lightweight polycarbonate
- Clear ID pocket for personalisation and asset tagging

- Thermoplastic rubber feet raise laptop above floor of the bag to prevent overheating, elevate keyboard above zipper to provide a better work experience, and add impact resistance with shock absorption
- Cables and charging brick isolated in a removable pouch offers quick and easy access
- Water resistant 600D polyester main fabric with reinforced 1680D ballistic nylon base fabric provides extra durability in high-wear, abrasion areas
- Includes removable and adjustable shoulder strap
- Customisable – designed to be easily branded with school or company branding
- Reduced lead times available for education and institutional purchases
