# BlackBerry Curve 8330

FEATURES	BENEFITS
 <b>Phone</b> Voice Activated Dialing (VAD), smart dialing, conference calling, mute button, built-in speakerphone, background noise cancellation, speed dial, call forwarding and voicemail attachment playback Bluetooth®-enabled (v2.0)	All the tools you need to make calls – and life – easier. Have the features of a professional desktop phone with you when you run errands or get stuck in traffic. <sup>1</sup>  Get more done by keeping your hands free while you talk or listen without getting tangled up in a mess of wires. The BlackBerry® Curve™ 8330 smartphone works with the Bluetooth® Stereo Audio profile, for high-quality, wireless stereo sound. <sup>2</sup>
 <b>Email and Text Messaging</b> Exceptional battery life Works with Multiple email accounts Push-delivery technology View attachments Optional BlackBerry email address Set-up wizard for easy email setup Send and receive text (SMS) and picture (MMS) messages	Keep listening, watching, typing, talking and working – your smartphone battery is designed to provide the staying power your day demands. Enjoy up to 260 minutes of talk time and 11 days standby time. <sup>3</sup>  Manage all of your email in one place. Set up your smartphone to track up to 10 supported personal or work <sup>4</sup> email accounts.  Messages are delivered automatically to your smartphone and you're notified as soon as they arrive. <sup>5</sup> Stay on top of things even when you're out for drinks, taking a jog in the park or catching a ride home.  There's no need to wait until you're at your desk to open attachments. Whether it's a picture from last weekend's party or an important document from a co-worker, you can open popular document and graphic attachments on the spot. That includes JPEG, Adobe® PDF, Microsoft® Word, Microsoft Excel® and Microsoft PowerPoint® files.  Need an extra email account? Choose a unique BlackBerry® email address just for your smartphone. Use it as your on-the-go address or reserve it for close contacts.  Get started quickly and easily. There's no complicated set-up process to get your BlackBerry® Curve™ 8330 smartphone. You're just a few clicks away from the freedom of BlackBerry push email.  Keep in touch with your contacts who like to use text (SMS) <sup>1</sup> and picture (MMS) <sup>2</sup> messaging. Fire off a last-minute change of plans or an image that says it all without saying a word.
 <b>Camera</b> 2.0-MP camera with 5X digital zoom, enhanced built-in flash and self-portrait mirror	It's hard to predict when those special moments will occur. But with the BlackBerry® Curve™ 8330 smartphone, you've got a quality digital camera right by your side. Take the shot then share it with your friends, family and contacts in an email or picture message.
 <b>Video recording</b> Instant video on the go	Capture the action as it happens. Record video clips for sharing or simply enjoy watching them on your BlackBerry® smartphone's high resolution display. <sup>6</sup>
 <b>Global Positioning System</b> Built-in GPS capabilities	You don't have time to second guess where you're going. Use the GPS capabilities of the BlackBerry® Curve™ 8330 smartphone with BlackBerry® Maps or other mapping applications to access turn-by-turn directions and route maps to your destination. <sup>7,8,9</sup>
 <b>BlackBerry Maps</b> BlackBerry Maps	BlackBerry® Maps can help save you time and cut stress with step-by-step directions. Find stores, venues and offices. <sup>7,9</sup> Launch maps from your address book. Use it with the built-in GPS capabilities of the BlackBerry® Curve™ 8330 smartphone to determine your current location and track your route to your target destination. <sup>5,9</sup>
 <b>Multimedia</b> Media player Expandable memory capability Roxio® Media Manager for BlackBerry	Whether you want to watch a video clip or tune out the rest of the world by listening to your favourite songs, the BlackBerry media player delivers visual and sound quality that keeps up with your needs. <sup>10</sup>  Keep larger files right by your side. The BlackBerry® Curve™ 8330 smartphone accepts microSD so you can have more room for your music, image and video files. <sup>8,11</sup>  The BlackBerry® Curve™ 8330 smartphone comes with powerful desktop media manager software that makes it easier to organize, access and play or view your media files. <sup>8,10</sup>
 <b>File Transfer</b> High-speed USB Bluetooth®	Transfer large files conveniently between your computer and your BlackBerry® smartphone.  Using Bluetooth® wireless technology, move files from your BlackBerry® smartphone to your desktop computer and back again without ever connecting a wire. <sup>2</sup>
 <b>Instant Messaging</b> Instant Messaging (IM)	Keep the conversation going! Use many of the same instant messaging programs you use on your computer on your BlackBerry® smartphone to help keep your day on track. <sup>5</sup>
 <b>Organizer</b> Integrated address book, calendar, memo pad and task list Desktop Personal Information Management (PIM) synchronization	Email, message and place phone calls directly from one centralized address book. Stay on top of your day – wherever it takes you.  Stay up-to-date without entering information twice. Just connect your BlackBerry® smartphone to your desktop computer to synchronize your calendar, address book, tasks, memos and more. <sup>15</sup>
 <b>Browser</b> HTML browsing Mobile Streaming Bookmarks RSS (Really Simple Syndication) feeds support	Whether it's for work or for fun, get the information you need online. <sup>5</sup> The BlackBerry® Curve™ 8330 smartphone delivers a responsive, dynamic browsing experience. It's so convenient you'll wonder how you ever got by without it.  Access videos, music or even sports and news clips from supported mobile streaming websites. <sup>10</sup>  Save time and jump to the content you want. Bookmarks give you one-click access to your favourite sites.  Set up RSS feeds so your news comes to you hot off the press. With RSS, you don't need to check your favorite websites for updates – new content can be pushed to you automatically. <sup>5</sup> It's the convenient way to stay up-to-speed.
 <b>Fun 'n Stuff</b> BlackBerry® Authentic Accessories including fashionable carrying cases, batteries and multiple charging solutions. Wallpapers. Ringtones. Add-on applications for both entertainment and personal productivity. <sup>8,13</sup>	Customize your BlackBerry® Curve™ 8330 smartphone to match your life – and make your smartphone truly your own. Check with your service provider for roaming arrangements, service plans and supported features and services. Certain features outlined in this document may require a minimum version of BlackBerry Enterprise Server software, BlackBerry Desktop Manager and/or BlackBerry device software.  
<sup>1</sup> Requires activation with voice plan. <sup>2</sup> Supports all A2DP Bluetooth accessories. <sup>3</sup> Based on CDG 35 suburban specifications. Actual results may vary. Network availability and coverage are dependent upon a number of factors including location and transmission environment. <sup>4</sup> Integrating corporate email accounts requires BlackBerry Mail Connector or the BlackBerry Enterprise Solution. <sup>5</sup> Requires activation with data plan. <sup>6</sup> In order to record video clips a microSD card must be properly inserted in the BlackBerry smartphone. <sup>7</sup> Check with your service provider for supported features and services. <sup>8</sup> When you subscribe for, acquire, or use third party products and services with RIM products or services you accept that: 1. It is your sole responsibility to (a) ensure that your airline service provider will support all of their features, (b) identify and acquire all required intellectual property and other licenses prior to installation or use and to comply with the terms of such licenses; 2. RIM provides such products and services on an "AS IS" basis with no express or implied conditions, endorsements, guarantees, representations or warranties of any kind, and assumes no liability whatsoever with respect to them. <sup>9</sup> For details on coverage areas visit [www.blackberry.com/maps](http://www.blackberry.com/maps). <sup>10</sup> For a complete list of supported media file formats visit [www.blackberrycurve.com](http://www.blackberrycurve.com). <sup>11</sup> The BlackBerry Curve 8330 smartphone accepts microSD cards of all sizes; the amount of storage is determined by card capacity. <sup>12</sup> The BlackBerry Curve 8330 smartphone is compatible with 3GPP RTSP mobile streaming websites. <sup>13</sup> Use only those accessories approved by Research In Motion. Using any accessories not approved by Research In Motion for use with your BlackBerry smartphone may invalidate any approval or warranty applicable to your BlackBerry smartphone and may be dangerous. <sup>14</sup> Requires BlackBerry Enterprise Server. <sup>15</sup> Wireless synchronization requires BlackBerry® Enterprise Server v2.1 or higher. Both wireless and USB synchronization may require the installation of BlackBerry® Desktop on the desktop computer with which the device is being synchronized.
