

hp HP 2211x 21.5-inch LED Monitor

Designed with style, high screen performance and environmental features for home, work and everything in between.

- Full HD 1920 X 1080 resolution
- 3,000,000:1 Dynamic Contrast Ratio
- LED backlighting
- Ultra-slim 21.5-inch diagonal monitor

The Wonder of LED

Imagine a sleek, 21.5-inch diagonal, ultra-slim monitor combined with high screen performance and benefits to help you "go green". That's the power of LED backlighting. See how the 2211x LED monitor delivers an eye-catching view for your home computing and entertainment needs.

- As small solid state devices, LED (Light Emitting Diode) backlighting reduces the number and overall size of components for an exceptionally thin monitor
- Helps create deeper blacks for high dynamic contrast ratio
- Enables faster on/off switching time than CCFL panels
- Helps reduce our environmental impact

Designed with Dazzling Screen Appeal

Take in the sharp, detailed, Full HD⁽¹⁾ view while surfing the Internet, working on projects, editing videos, or streaming shows online. High screen performance features include:

- 3,000,000:1 Dynamic Contrast Ratio⁽³⁾
- Full HD⁽¹⁾ 1920 X 1080 resolution
- QuickView modes optimized to match screen performance with the content of your choice
- 250 nits of Brightness
- 5 ms on/off response time reduces blur

Inspired/THINspired for your Digital Lifestyle

The HP 2211x monitor delivers a chic, strikingly-thin profile to look perfect on any desktop in your home. This sleek design utilizes minimal desktop space with convenient features for your digital life:

- Ultra-slim 21.5-inch diagonal LED monitor (approximately 1-inch deep) looks perfect on any desktop
- VGA and HDCP Supported DVI-D inputs easily connect to your HP PC or notebook
- Stylish, sleek exterior with tilt and slide adjustment for a comfortable view
- 170/160 degree viewing angles

Green Commitment

Developing more responsible monitors is one way HP strives to help you "go green". The HP 2211x monitor includes an array of environmental features:

- Mercury-free LED backlighting helps lower power consumption
- Arsenic-free⁽²⁾ display glass
- Recyclable plastics and packaging
- Ultra-thin profile and detachable base allow smaller packaging to fit more product on a truck, thereby helping to lower fuel use and CO2 emissions
- ENERGY STAR[®] 5.0 qualified
- EPEAT[®] Silver registered
- SmartWaySM Transport Partnership (USA only)

HP Peace of Mind

Relax knowing you are backed by award-winning HP worldwide service and support. The HP 2211x monitor is fully tested and has a limited warranty that includes parts, labor, toll-free technical support and real-time chat.

THE COMPUTER
IS PERSONAL
AGAIN.
