IPD-358

Rigid Folio Case

### Description

Shield your device in an all-around barrier with the Incipio DELTA® Folio. Incorporating a sturdy hard shell back and a foldable front cover, the DELTA® Folio provides full protection against accidental bumps and scratches in all directions. When travelling for business, enjoying vacation, or simply relaxing at home, the front cover is capable of folding into a comfortable typing angle or a hands-free kickstand viewing mode for streaming videos or surfing the web.
