

Verbatim® Life Series DVD Media

Life Series: an affordable DVD-Recordable option - ideal for capturing life's events. These discs offer 4.7GB or 120 minutes of storage capacity, with good recording quality and compatibility with high-speed burners. These are one-time record discs, ensuring that your movies, pictures, video clips and other data will not be erased.

Life Series discs are available in DVD+R and DVD-R formats. Today, most DVD writers and readers use these discs interchangeably, with no noticeable performance differences. With older units, check your manufacturer's suggest DVD format to ensure compatibility.

Key Features

Capacity

These affordable discs are big on storage, offering 4.7GB (120 minutes) of storage capacity on each disc.

Speed

Life Series media burns at 16X write speed.
