SW-110

Key Features

Annotate Over Any Application | Import SMART and Promethean Lessons | Instant Polling and Feedback | Seamless Presentations | Cloud-based Solution

Product Description

This bundle includes 2 install keys for Qwizdom [Oktopus](#), 3-years of [Blend](#), plus 3-years of Qwizdom [Ximbus](#). Qwizdom Oktopus is an interactive presentation and collaboration software ideal for ViewSonic® ViewBoard® interactive flat panel displays. Oktopus allows users to annotate and work over or alongside any application, existing content, or over a web browser. Qwizdom Ximbus is a cloud-based whiteboarding and collaboration solution ideal for ViewSonic® ViewBoard® interactive flat panel displays. Designed for Google Apps for Education (GAFE), Ximbus delivers annotation tools for both teachers and students and enables real-time sharing, collaboration, and polling from anywhere: remote or local.
