

HP Engage Go Jacket iSMP4 (5LX96AA)

Overview

Enable your HP Engage Go to complete transactions[1] on the move and add an extra layer of drop protection to your device with the HP Engage Go Jacket iSMP4.

Take payments

Add the optional Ingenico iSMP4 mobile payment terminal[2] to the Jacket to accept EMV chip and PIN, NFC and MSR payments.[1] Convert to a fixed point of sale by connecting to the optional HP Engage Go Dock[2] and peripherals.[2]

Use it your way

Hold your solution by hand with the adjustable, rotating hand strap or keep your hands free for other tasks with the shoulder strap.

Designed for your daily demands

Quickly move between fixed to mobile

Connect your HP Engage Go to the HP Engage Go Dock[2], while it's in the Jacket, for automatic locking, charging and data and video connectivity.

Navigate peak hours and busy environments without worry. The Jacket helps protect your HP Engage Go from accidental bumps and drops up to 4 feet.[3]

[1] Internet access and payment processing software required and sold separately.

[2] Sold separately.

[3] HP test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
