### Foldable Design

The Portable Ultra Slim Tri-Fold Bluetooth Keyboard is the perfect travel companion for when you take your tablet on the road. The lightweight, stylish Bluetooth keyboard allows you to carry it in your bag anywhere you go.

### Ultra-Slim and Lightweight

The Bluetooth keyboard features an ergonomic rugged aluminum casing for maximum mobility and easy portability. This compact keyboard is perfect for small spaces, including the multimedia living room, work stations, classrooms and conference rooms.

### Full Size Keyboard

This 79-key Bluetooth keyboard with full size keys delivers a soft touch with quiet key-strokes to make working in any environment easy. Features an On/Off switch which saves battery life for extended use and enables users to quickly synchronize your Bluetooth device to the keyboard with one keystroke.
