

# HP Pavilion Tech Backpack

## Recharge on-the-go

Easily recharge your laptop without removing it from the backpack and secure your credit card information with an RFID pocket.

### Power adapter pocket

A tech pocket holds your adapter in place, making it easy to recharge your laptop via the cord pass-through.

### Breeze through security

Travel easily with a TSA-friendly laptop compartment. Just unzip and open the backpack without removing your laptop.

### Protection on the move

Move freely with an RFID pocket that helps protect your credit card information from being stolen as you move through crowds.

## Featuring

### **Water within easy reach**

Comes equipped with exterior water bottle pockets for quick access and easy storage.

### **Easy access to your essentials**

Small essentials are easy to grab thanks to a quick access pocket that holds your phone, keys, wallet, etc.

### **Comfort on-the-go**

Padded, breathable shoulder straps and air mesh pods on back panel give you the ultimate comfort while on the move.

### **Your gear, protected**

Water-resistant fabric on the bottom, top, and RFID pocket provide special moisture protection for all your gear.

### **Reflective for your protection**

Use your backpack at night, safely, with reflective accents that allow you to be seen in the dark.

### **Strapped and secured**

Adjustable straps on the sides make it easy to tighten your backpack and properly secure your gear while on the go.
