

Digital Colour Transfer Paper

Textile Solutions for Laser Toner Printers

Xerox Digital Transfer Paper can be used for creating personalised t-shirts, sweatshirts, mousemats and tote bags. It's designed to apply easily to light coloured fabrics using a heat press. The image stays true, wash after wash. Just choose the product that matches your printer type.

Applications

- T-shirts
- Sweatshirts
- Tote bags
- Caps
- Mousemats

Equipment Compatibility

Compatible with EA and Non EA toner printers.

For a full list of Xerox printer compatibility, visit the Recommended Media Lists on www.xerox.com.

For more information contact your Xerox Supplies Representative.
