

HP DesignJet T120 Printer

The most affordable HP DesignJet printer¹—easy to use and ultra compact

Value—More for your money

- Produce prints using the built-in A3/B+ tray and up to A1/D using the front-loading media roll.
- High print quality and productivity with Original HP inks and a long-lasting printhead.
- Take control of your large-format print jobs by plotting them in-house—helping to save time and money.

COMPACT—Easy to use and fits nearly anywhere

- Easily fit this printer—the smallest in its class²—where you need it in your studio.
- The intuitive, full-color, 4.3-inch (109-mm) touchscreen simplifies navigation and printing.
- No LAN needed—move this printer any time, any place your Wi-Fi signal can reach with wireless connectivity.³

MOBILE—Easily print from smartphone or tablet²

- Print straight from your Apple® or Android™⁴ smartphone/tablet wherever you are with HP Mobile Printing.³
- If you're on-the-go, attach your document to an email and send it directly to your printer via ePrint.³
- Use the HP AiO Printer Remote⁵ to access additional print features when printing from your mobile device.

¹ Compared to other HP DesignJet T-series printers.

² Based on competitive alternatives with comparable size and features as of September, 2015.

³ Local printing requires mobile device and printer to be on the same network (usually Wi-Fi access points bridge wireless to wired connections). Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See <http://www.hp.com/go/designjetmobility> for more details.

⁴ The HP Print Service Plugin app is available for Android™ mobile devices running Android™ v.4.4 or later. The app is free from Google Play.

⁵ The HP All-in-One Printer Remote mobile app is available for Apple® iPad, iPhone, and iPod Touch running iOS v7.0 or later and for Android™ mobile devices running Android™ v4.4 or later. The HP All-in-One Printer Remote mobile app is available for free from the Apple® App Store for Apple® mobile devices and from the Google Play Store for Android™ mobile devices.
