Security Gooseneck Mount

for 7-13 Inch Tablets

Security Gooseneck Mount

Secure your tablet to any desk, countertop, or wall, and create a protected digital workstation with CTA Digital's Security Gooseneck Mount for 7-13 Inch Tablets. Perfect for classrooms, offices, or retail points of sale, this versatile tablet mount offers anti-theft protection with a locking adjustable tablet holder. This clever, compact mount cuts no corners on maneuverability, with a 360 degree rotating holder to accommodate portrait or landscape orientations, plus a sturdy, ultra-flexible gooseneck to achieve any viewing angle. Keep your tablet charging and cable neatly tucked in with the included adhesive cable management clips and ties. This tablet mount secures easily to a desk, countertop, or wall via predrilled holes and included hardware, and is compatible with any 7-13 inch tablets, including the iPad mini 4, iPad Air 2, iPad Pro, Surface Pro 4, or Galaxy Tab S2.
