

Thin, bright, and dynamic, the EVO LCD Display is a perfect solution for customer engagement at the point of sale. Featuring a vivid, full color display and multiple mounting options, the EVO LCD Display can be used with any point of sale application.

**Vivid Display**

The EVO LCD Display features a bright 8" display with a TruFlat zero bezel screen.

**Dynamic Mounting Options**

The EVO LCD Display can be mounted with its included pole, optional mounting bracket, or to any standard 75MM VESA mount.

**Simple Installation**

Utilizing an on-board graphics adapter, the EVO LCD Display can be connected to any Windows computer with the included USB cable. No HDMI or VGA port needed!

**Wide Viewing Angles**

Designed to be used from multiple viewing points, a 140° range provides an impressive display in any installation.
