

# ZūM eco-DECT Pro™ Headset

Digital Enhanced Cordless, Long-range Telecommunications

## DO YOU SPEND A LOT OF TIME ON THE PHONE?

The ZūM eco-DECT Pro™ USB Combo Headset and Base Station allows wireless telephone conversations without the limitations of *Bluetooth*®. It uses the secure DECT 6.0 Protocol which gives it a range of 492' feet (150m), as opposed to the *Bluetooth*® limit of 30' feet. USB connectivity allows VoIP calls, like Skype™ or Lync™ (Skype for Business).

The Base unit recharges the headset and will work up to 7 hours on one charge.
