HP Color LaserJet Enterprise M750 Printer series

Print large-volumes of professional-quality colour documents on a wide range of paper sizes. Maintain productivity with intuitive, easy-to-use management tools. Conveniently print directly from laptop PCs, smartphones or tablets.¹

**Top features**

*Enable colour printing from postcards to posters*
- Print on a wide variety of paper sizes—from 3 x 5-inch postcards to 12.6 x 17.72-inch SRA3 media.
- Produce high-volume print jobs without frequent paper changes, with a paper capacity up to 2,350 sheets.⁵
- Improve efficiency with a printer that automatically recognizes paper size and type for best printing results.
- Increase efficiency and versatility with automatic two-sided printing.³

*Get great colour prints plus uncompromised speed*
- Print documents rapidly—up to 30 ppm letter/A4.⁷
- Get a first page out in as fast as 10 seconds with Instant-on Technology.
- Get consistent print quality automatically on text, images and graphics with HP Easy Color and HP ImageReT.
- Achieve sharp contrast and vivid colour with the high-gloss toner in Original HP LaserJet print cartridges.

*Count on a printer that is easy to use and manage*
- Enable easy printing from smartphones, tablets and laptops at work, home, or on-the-go.¹
- Easily integrate enterprise-ready gigabit networking and robust security options into your printing fleet.
- Supervise printing fleets remotely using intuitive management tools. Control colour printing usage and costs.
- Quickly print using the easy access USB port. Safeguard data with the High-Performance Secure Hard Disk.⁵

*Minimize your environmental impact.*
- Reduce packaging waste with pre-installed toner cartridges—no boxes, wrappers or manuals.
- Reduce environmental impact and use up to 50 percent less paper with two-sided printing.³
- Get free and easy recycling—cartridges returned through HP Planet Partners are recycled responsibly.²
- Reduce the environmental impact of excess shipping materials with HP ClearView packaging.⁴

¹ Local printing requires mobile device and printer to be on the same network. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.
² Program availability varies. HP print cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit hp.com/recycle
³ Automatic two-sided printing is available on the dn and xh model only.
⁴ HP ClearView Packaging is available on the xh model only.
⁵ HP High-Performance Secure Hard Disk is available only for the xh model.
⁶ Optional 500-sheet paper tray and 3 x 500-sheet paper tray are available and sold separately for the n and dn models.
⁷ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

Requires an Internet connection to the printer. Feature works with any connected Internet- and e-mail-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see hp.com/go/printcenter. And for additional solutions, see hp.com/go/mobile-printing-solutions. Supports the following devices running iOS 4.2 or later: iPad®, iPad® 2, iPhone® 3Gs or later, iPod touch™ 3rd generation or later. Works with HP’s AirPrint™ enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries.

Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Colour LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

Declared yield value in accordance with ISO/IEC 19752. Actual yields vary considerably based on images printed and other factors. For more information, visit hp.com/go/learnaboutsupplies. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies.

Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

Acoustic values are subject to change. For current information see hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 30 ppm.
