Share with colleagues

1. Requires the HP Smart app download. For details on local printing requirements, see hp.com/go/mobileprinting. Certain features/software are available in English language only. Internet access required and must be purchased separately.

2. Compared to majority of OEM mobile printing apps for inkjet and laser printers and all-in-ones for home and home office, priced less than or equal to €429.99. Market share as reported by IDC CYQ2 2018 Hardcopy Peripherals Tracker. Claim based on lab testing and research of printer manufacturers' mobile print apps and Keypoint Intelligence – Buyers Lab study commissioned by HP. See September 2018 report at keypointintelligence.com/HPSmartApp.

3. Based on internal HP testing. Average timing estimate based on: (a) downloaded HP Smart app on mobile device, (b) setting up Smart Tasks shortcut, (c) scanning jobs which have more than two to three tasks associated with them (scan to email, save and rename, store to cloud, etc.). Average timing savings comparison based on using printer and desktop scan software to complete similar scanning tasks. Requires the HP Smart app download and supported HP printer. For details on local printing requirements, see hp.com/go/mobileprinting.
