

AREA-51 M GEAR BAG

Durable yet lightweight Heather-Gray main material with reflective Alien head logo

Padded laptop sleeve with custom molded perforated foam panel protects your laptop from daily bumps and bruises

Front accessory pocket for wallet, keys, travel cards and other quick access items

Ventilated & cushioned back panel with integrated trolley strap

Model#: AWA51GB17 SRP: \$139.99

With a spacious 25 liters of storage space, the Gear Bag is loaded with custom design features. Two zippered compartments, two padded hardware sleeves and five interior pockets provide storage and organization for your laptop, tablet, mouse, headset, power supply, cables and other accessories. Unique new features include the AW specific 'magic catcher' front flap closure, expanding side pockets, custom AW interior lining materials and a quick access front accessory pocket. Comfort features include an adjustable XPE foam shoulder strap, integrated padded top handle and a cushioned back panel with an integrated trolley strap that will secure the bag to your wheeled luggage. The Area-51 Gear Bag is the perfect combination of mobility, attractive design, storage capacity and laptop protection.
