

Checkpoint-Friendly 15.4" Mobile Elite Laptop Case

TBT045US

Overview

The Targus Checkpoint-Friendly Mobile Elite case is designed to help you clear airport security without removing your laptop from your case. The results are:

- Quicker airport processing
- Reduced risk of laptop loss, theft, or damage
- Greater privacy and security

This 15.4" case splits down the middle, isolating the laptop on one side to allow for clear x-ray scanning. The Checkpoint-Friendly Mobile Elite is lightweight, offers padded nylon handles, and includes a non-slip padded shoulder strap and trolley strap for attachment to rolling luggage.

In addition, the case includes a dedicated file section, zip-down workstation with business card holder, pen loops, key clip and multiple accessory compartments to keep items organized.

Features

- A comprehensive business workspace with all of the compartments you need to carry files, business cards, keys, storage drives and other on-the-go essentials.
- A dedicated compartment with reinforced backing to separate your files and keep them looking crisp.
- Designed to fit a range of laptops with screens up to 15.4" in size; including models with an extended battery.
