## PRESENCE™ Business\*

PRESENCE™ is a premium headset for mobile professionals who require consistently excellent speech intelligibility whatever the background noise level in the office, at home, in the car or outdoors.

### Sound leadership

Building on Sennheiser's 70 year legacy of sound leadership, new developments include SpeakFocus™ and WindSafe™ technologies to optimize communication in noisy environments – both indoors and outdoors.

With best-in-class Sennheiser HD voice clarity using unique 3 digital microphone system, PRESENCE™ enhances speech intelligibility in challenging environments.

The headset also provides high-quality audio for podcasts. Peace of mind, ActiveGard™ provides protection from acoustic shock.

### Quality design

With a focus on quality materials and wearability, PRESENCE™ slim iconic design and subtle aluminum microphone boom

arm represent the ultimate in discretion for everyday business professionals.

### User focus

PRESENCE™ provides up to 10 hours' call time between charges and includes voice prompts and iPhone battery meter. Designed with the user in mind, intuitive features include a unique sliding microphone with integrated on/off power slide.
