An office product to meet every need.

There’s a job waiting to be done: A routine print job. A single page to be copied. A critical hundred-page report to be printed in full color, then faxed, scanned and emailed to users around the world. Whatever your task, Xerox® has the right office printer or multifunction printer to help you do the best job, with more speed, reliability and value than you ever thought possible.

Xerox® Workplace Solutions
Take control and optimize your print environment with easy, secure and mobile-friendly Xerox® Workplace Suite and Xerox® Workplace Cloud.

AUTHENTICATION AND ACCESS CONTROL
• Use any one of our flexible authentication methods to conveniently and securely release your print jobs or access your device. Have the peace of mind of knowing that only authorized users can safely access sensitive data or services that you define.
• Print management authentication options are compatible with a wide range of industry-standard secure readers and cards. Choose card, cardless or phone/tablet-based authentication.

ACCOUNTING AND REPORTING
• Business owners can closely monitor printing across the organization with our consolidated fleet reporting and accounting capability.

EASY MOBILE PRINTING
• Xerox® Workplace Solutions make mobile printing simple and seamless, even with complex network configurations. Users won’t need IT support to get up and running — raising productivity for everyone.
• Whether you submit your jobs to our single queue from your desktop PC or mobile device, you can review, select job settings, print or delete them from any networked printer.

CONTENT SECURITY AND PRINT RULES WORKFLOWS
• The most security-minded businesses and governments choose Xerox®. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigorous focus to prevent unauthorized access, detect suspect or malicious behavior, and protect data and documents.
• Unique workflows provide high levels of control and additional security measures.
• Print rules help take back control of your printers to reduce print volume and reduce costs by incorporating print rules to restrict access to features and devices.

YOUR CHOICE. YOUR WAY.
• Xerox® Workplace Suite (on-site, your server). This is the ideal choice for those who need productivity for mobile devices and workers, but have additional requirements for data control.
• Xerox® Workplace Cloud (simple setup, cloud administration). This is the ideal choice for organizations with limited access to IT support, companies with more than one network or looking to reduce their infrastructure.
