

blunote2.0™ Wireless Speaker

Listen to music, take or make calls when paired with your cell phone

Big sound in a small, lightweight speaker you can take with you

LISTEN TO MUSIC OR MAKE AND TAKE CALLS

Listen to your saved music from your Bluetooth® enabled smart phone (iPhone or Android), iPad or Android tablet, PC and Mac. The blunote 2.0™ provides a portable solution for people who need to conference anywhere and still want to enjoy high-quality sound. The high quality microphone allows you to take and make calls when paired with your smartphone.

You'll be surprised at how much volume such a small speaker can generate without any distortion.
